

Sylvania Recreation

PLAYsylvania!

Get out and PLAY Sylvania! We are offering a series of STAFF supervised 'drop-in' activities that will offer a safe environment to the children in the Sylvania area at no cost. These programs have been introduced to encourage children to get away from their technology consumed world and become more physically active. Choose an activity, bring some friends, and PLAY!

Parents, remember when you were growing up how you would be outside all day playing some sort of pick up game? Sand-lot baseball, pick up basketball, street hockey, kickball and the list goes on ... We are introducing these activities to children at NO COST during scheduled times throughout Sylvania.

As an introduction, we have put together a schedule of activities during Spring Break to help keep children busy. Encourage your child to come to these programs to play, meet new friends, and do something different! Children will be broken down into age appropriate groups.
