Serviceperson – Facilities and Maintenance

Facility Aesthetics, Landscaping, Irrigation, and Athletic Field Support

Position Overview

The Facilities and Maintenance Department is seeking a Serviceperson to support the appearance, upkeep, and daily operation of district facilities. This position focuses on facility aesthetics, including landscaping and irrigation, while also assisting with a wide range of maintenance operations across all district facilities.

Key Responsibilities

- Perform landscaping, irrigation, and general facility aesthetic maintenance at district facilities.
- Support daily facility maintenance needs and assist with overall Facilities and Maintenance Department operations.
- Operate and maintain equipment used for grounds, landscape, irrigation, and facility maintenance work.
- Apply landscape cultural practices to maintain safe, attractive, and functional outdoor spaces.
- Assist with pesticide applications in accordance with applicable procedures and safety requirements.
- Operate, monitor, and maintain irrigation systems.
- Prepare and maintain athletic fields for use.
- Provide training, direction, and leadership to seasonal and part-time staff as needed.

Ideal Candidate

The ideal candidate is dependable, safety-minded, and comfortable working both independently and as part of a team. Successful candidates should have an interest in facility maintenance, landscaping, irrigation, athletic field preparation, and equipment operation.

Compensation and Schedule

This position requires a minimum of 40 hours per week. The hourly wage range equals approximately \$35,000–\$45,000 annually based on experience and includes an comprehensive benefits package. Applicants must be able to work weekends, evenings, and holidays as needed.

How to Apply

Interested applicants should submit a resume, references, and a summary of relevant experience to bhall@playsylvania.com. The position is open until filled.
