There were no visitors in attendance for this meeting.

The approval of the June financial report was tabled.

The approval of the purchase order schedule was tabled.

Mike McMahon presented the Sylvania Recreation Corp. financial report for June.

Following the SRC financial report, Mr. McMahon presented information on a number of topics. The transition to the new SRC accounting manager is working out well. The Star-Spangled Celebration was a success again this year. The opening of the 50-year time capsule occurred on July the 4th. Attendance at the Hotel California concert at Centennial Terrace was affected by the air quality alert that day followed by a thunderstorm with lightening prior to the event. This year's Pizza Palooza at Centennial was a great success. A meeting was held with the insurance agent for the SAJRD and SRC property and casualty program renewal with some changes in deductibles anticipated.

Casey Nowicki and Mike Mankowski presented the June financial report for TOS Sports, Inc. Following the financial report, Mr. Mankowski provided information on several items. A meeting for the TOS property and casualty insurance program will be taking place. The summer high school hockey tournament was held. Repairs were required for a compressor and a Zamboni ice resurfacing machine. The restructured Learn-To-Skate program is going well and the summer camp program was sold out.

Casey Nowicki presented the finance and audit committee report and indicated that there were no additional items to discuss.

Greg Feller, chairman of the capital improvement committee was not in attendance so Mike McMahon advised that a construction kick-off meeting will be held for the Centennial capital improvement project. Mike also noted that the Lucas County Building Appeals Board has approved the variance request for the Centennial project,

Mr. Kezur presented the chairperson's report and informed the trustees that no new communication has been taken place with Lourdes University regarding their recreation facilities.

The roundtable took place during which Mr. McMahon asked Mr. Murphy if the City Council's safety committee had any new information concerning e-bikes and other motorized equipment. Mr. Murphy provided a response.

The meeting was adjourned at 8:32 a.m.

Respectfully submitted,
John Plock, Recording Secretary
